

TOP SECRET

16 October 1967

MEMORANDUM FOR: Deputy Director for Science and Technology

OX CART mission BX6728 was flown on 15 October 1967 against targets of interest in North Vietnam. This was the fourteenth mission to date.

Aircraft departed Kadena AB at 0150Z and accomplished two runs over North Vietnam including the DMZ. Mission duration was three hours and forty-one minutes. Recovery at Kadena AB was normal.

Due to weather in target area, it is anticipated that only minimal photographic coverage will be acquired on the Northern pass; fair coverage is anticipated on the pass across the DMZ.
